Cocktail Food

Affordable Finger Food and Gourmet Canapés

We offer a wide range of quality handmade finger food designed to suit all styles of functions or events.

Our Affordable Finger Food and Gourmet Canapé packages have been tried and tested over a number of years and are the most popular of our cocktail food ranges. If you require a particular item that is not listed or wish to customise your menu, please speak to our friendly customer service team.

Full Service or Delivery Only

We can provide professional staff who will cook, serve your food and clean up or choose one of our “ready to serve” menus and have your food delivered to your door.

Full Meal

One of the important benefits of a cocktail party is that you are able to entertain large numbers of people without needing seating. This style of function also encourages your guests to mingle.

Our full meal menus are designed to provide a full dinner or lunch for your guests.

Light Meal

These packages are ideal for functions where you need to provide cocktail food over drinks, not a full meal. We find that most typically this style of function would be held over two to three hours.

All of our finger food and canapés are served with dipping sauces and condiments. We also supply cocktail serviettes.

For your convenience we also provide affordable beverage packages that can include alcohol along with all soft drinks, juices, glasses, and a bar with linen and bar staff.

To ensure the highest quality of food for our customers, we source some of our gourmet range from CDS Gourmet Foods.
